WINNIPEG BLUE BOMBERS CLUB HISTORICAL NOTES - FORMATION				
In June 1930, the Winnipeg Football Club was re-organized from the Tammany Tigers team that competed in the West. Competition in the early years came primarily from the strong St. John's College team. By 1933, these two clubs merged to form the Winnipeg 'Pegs.				
In 1936, the Blue Bombers were founding members of the WIFU beginning formalized league play in the West against Calgary and Regina. This era marked professionalization of Canadian Football across Canada.

ALL-TIME PLAYER REGISTER - 1930 TO 1941, 1945 TO 2024

HISTORICAL NOTES:

This Blue Bombers All-Time roster is based on extensive new research completed in 2025 covering years in which the club played a regular season schedule and/or playoffs only (as in 1945). For historical purposes, it does include years prior to 1936 when the club competed in WCRFU only prior to Grey Cup playdowns but only in the total years data. Games played did not become official and more verifiable until 1936 with the formation of the WIFU (today's CFL West Division) and thus that data shown there reflects 1936 to 1941 plus 1945 to 2024.

Players serving in the 1942-43 WWII Service Era (the WIFU had folded after 1841 due to support of wartime efforts and games were suspended) are shown in a separate list below under the Winnipeg RCAF Bombers. Those players are important however and many played in seasons covered by the primary listing. To be included in the main list a player required only to have played in at least one regular season or post-season game on-field.

Historical Notes:

1. Lineup and uniform number information printed above was extracted from the original 1942 and 1943 Grey Cup game programs that are stored in the archives of the Canadian Football Hall of Fame. They are further corroborated by post-game lineups printed in the Winnipeg Free Press and other newspaper sources of the times.
2. Official CFL roster games played data was first published in post-season guides in 1964. To augment that, earlier games played data has been drawn from highly reliable post-game lineups printed in local newspapers. To create these player records and ensure accuracy, they have been cross-referenced to many available historical sources. In this way games played covers 1936 to 1962 in the West and back to 1907 in the East based on in-depth research.

Of Note - Grey Cup Club Record

5 in a Row Across 2019 to 2024

The Blue Bombers have an active 5-game streak of West Division titles and Grey Cup appearances. Across those 5 CFL title games, 10 Blue Bombers appeared in each one. They now hold the club record as the only players to reach that consecutive game milestone.
