All aboard!

This map gives detailed information about Chicago Transit Authority bus and elevated/subway ('L') train service and shows Pace suburban bus and Metra commuter train routes in the CTA service area. It is updated regularly and available at CTA rail stations, Metra downtown terminals, visitor centers, airports or by calling the NITA Travel Information Center.

Regional service overview

CTA runs buses (routes 1 to 206) and elevated/subway trains serving the city and 35 neighboring communities. Major routes run daily through late evening, generally every 10–20 minutes but service frequency can vary based on route and time of day—see individual timetables for details or plan a trip online or by phone in advance.

PACE runs buses throughout the suburbs (routes 208 and above and Pulse rapid routes). Many connect with CTA. Major routes generally run daily thru mid-evening, every 30–60 minutes.

You can use a Ventra Card or contactless bankcard to pay fares as you ride or use valid passes on any CTA bus or train, and on Pace buses.

METRA runs 11 suburban commuter train lines from several downtown Chicago terminals. Most routes run daily; check schedules or use trip planners to plan your trip. Fares are separate. Purchase tickets in the Ventra app. A Regional Connect Pass is available to Metra monthly ticketholders for use on CTA or Pace.

The **SOUTH SHORE LINE** runs commuter trains, daily, between downtown Chicago (Millennium and Van Buren stations) and South Bend Airport in Indiana. Fares are separate.

Service overview

Most CTA service runs every 10–20 minutes most of the day; frequencies vary based on time of day or route. See first/last train and bus info for spans of service and see individual timetables online or by calling the NITA Travel Information Center for specific information.

Note that Sunday schedules apply on the following holidays: New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving and Christmas (and/or on their dates of observance).

Buses

Most routes run daily through late evening. All scheduled routes have timetables.

When boarding, always check the destination sign; not all buses travel to the end of the line and some routes have branches.

Buses stop about every two blocks at posted signs which give basic service information. The Owl (🦉) symbol indicates all night service (typically runs every 30 min).

All CTA buses are accessible and have bike racks.

Trains (the 'L')

Each line has a color name. All services run daily (except Purple Line Express direct to Downtown Chicago), generally early morning through late evening. Free connections are available between all 'L' lines marked with ∞. Accessible stations are marked on maps with ♿; all railcars are accessible.

At all stations, staff are on duty to help you. Customer Assistance/Help Point call buttons are located near turnstiles and on platforms. Maps are posted in each railcar and station to help you plan your trip; timetables are also posted in stations.

Stations have signs at entrances to tell you what lines are available and to guide you to your train.

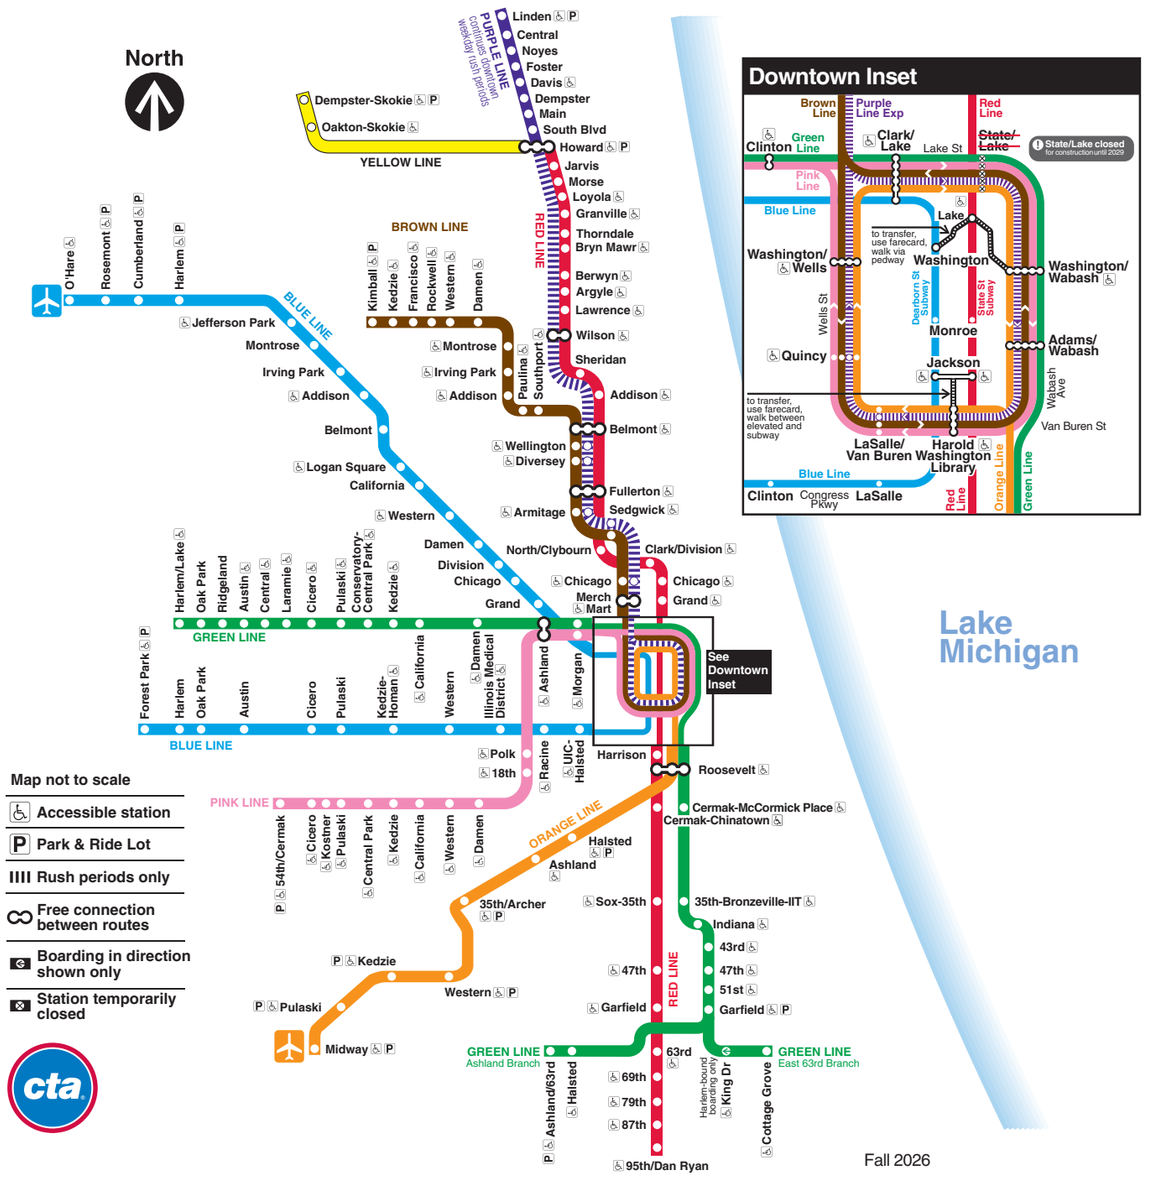

Trains are marked on the front and sides with their destination. Information is announced throughout your trip.

Bus and Train trackers

Get estimated arrivals with CTA Bus Tracker℠ and CTA Train Tracker℠

Transit trackers from CTA help take the waiting out of your trip. With estimated arrivals from CTA Bus Tracker and CTA Train Tracker, you can rest easier and spend less time waiting and more time going.

Information on both bus and train service is available on the web, in apps and by text, as well as on digital signs at many bus stops and in train stations.

Arrival information is integrated into many travel apps, including our own Ventra app.

Arrival info by text

Before you go, look up estimated arrivals using either CTA Bus Tracker or CTA Train Tracker on our website and take note of the text messaging instructions alongside arrival information on either website. They look like this:

Text **CTABUS 550** to **41411** for estimated arrivals.

Text **CTATRAIN THOR** to **41411** for estimated arrivals.

You can also simply text CTABUS or CTATRAIN to 41411 for instructions on how to look up a stop manually.

Specific instructions are posted at the bottom of each CTA bus stop sign and on all timetable posters located in each train station.

Visit **transitchicago.com/howto** for more information. Message and data rates may apply: check with your mobile carrier first.

Bike & ride

Bicycles are permitted on CTA trains weekdays (except from 7am to 9am and 4pm to 6pm), and all day on Saturdays, Sundays and holidays. Bicycles may be prohibited on trains during periods of excessive crowding or on dates with anticipated crowding; see alerts or listen to staff instructions. Over 90 stations have indoor or sheltered bicycle parking. Bicycles can travel by bus on bus bicycle racks.

Bicycles are limited to two per train car or bus rack. Bike & Ride information is available at transitchicago.com/bikeandride and in brochure form.

Accessibility

All CTA vehicles (buses and railcars) are accessible to people with disabilities.

Accessible bus service

CTA buses "kneel" (lower) on request and have ramps at the front doors; anyone can ask for the ramp or bus to kneel.

Other features include priority seats and wheelchair securement areas. Automated announcements make stop, route and other info accessible to people who are blind or visually impaired while digital signs help people who are deaf or hard-of-hearing.

Accessible rail service

CTA trains provide space for wheelchairs and have at least one designated wheelchair securement area in each car. All CTA railcars have priority seats and recorded voice announcements.

"Gap fillers" are available at all stations to bridge the space between platform and train. If you need a gap filler, ask station staff or train Operator for help.

Accessible stations have elevators and/or ramps to create a step-free path between platforms, the station and the street. Elevator status info is updated at least hourly via:

- phone 1-888-YOUR-CTA (1-888-968-7282), wait then press 7 or call 711 relay for deaf or hard-of-hearing).
- online at transitchicago.com/alerts
- by text or e-mail—subscribe at transitchicago.com/updates

Priority seating

Priority seating is for customers with disabilities and seniors. Please move from a priority seat when requested. Please allow customers with disabilities to board CTA buses and trains first.

Customers who use wheelchairs or scooters have top priority to the flip-seat wheelchair securement areas on CTA buses and trains. Customers with other disabilities and seniors have top priority to the fixed priority seats on all of our vehicles. All other customers may sit in these seats unless they are needed by customers with disabilities or seniors.

First bus / last bus times

All CTA and Pace buses are accessible ♿ to people with disabilities. Use this chart to determine days, hours of service, where each route begins and ends, and first and last buses in each direction on each route.

CTA's Bus Tracker website (ctabustracker.com) is your source to check the location and estimated arrival times of your bus via computer or web-enabled mobile device. See Bus and Train Tracker panel below and left for more information.
